GIBRALTERS MUST WIN TODAY OR GIVE WAY TO FAST WESTOVER TEAM

By R. D. THOMAS.

Gibraltar A. C. is on its mettle today. Westover, bitter rival of the leading team for championship honors in section A of the unlimited class in the city independent series, won its game with Langdon yesterday and today Gibraltar must win a contest scheduled with Yankee A. C. or relinquish first place to Westover.

In the event Gibraltar loses today the team would have one more chance for the section title. It would be necessary to beat Emerald A. C. in the play-off of a tie game, which would bring about a deadlock with Westover. One game would be played then with Westover to decide the title.

Today's important battle will take place on the Union Station plaza. A victory for Gibraltar is predicted on the strength of the relative showing in the series of the two contestants. The Yankee team is well down in the standing while Gibraltar has led virtually from the start.

Peerless Surprises Shamrocks.

Yesterday's defeat of the crack Shamrock A. C. by Peerless, in Section B of the unlimited class, should be a warning to Gibraltar. Peerless was conceded only one chance in many to knock off the Shamrocks, who had won five straight games and clinched the section title.

Peerless, a fighting young team, took the Shamrocks unawares. It seemed and at the end of the third inning, was leading 6 to 1, despite the expert efforts of Humphrey, star Shamrock pitcher, to stem the flow of tallies. The final score was 7 to 4. McCarthy, the Peerless moundman, issued nine passes, but held the opposition to four hits in the six-inning fray. Moran's homer helped Peerless. It was the only extra-base hit.

Big Game Tomorrow.

One more big game remains to be played in the unlimited class after today. Government Printing Office will meet the Knickerbockers.

G. P. O. has won four games and lost none. The Knicks have a standing of four and one, being helped by the throwing out of the Garfield team and the forfeiture of all its games. A victory would put the Knicks on top. To get even G. P. O. would have to win the play-off of a tie game with Randle.

Petworth is out of the race for top honors in Section B of the junior class following its defeat yesterday by Renoc. 9 to 7. This leaves Elks as the only team with a chance to tie the leading Roanoke, who have won five games and lost one. Renoc has won four and lost one and tomorrow will wind up its regular season by playing a game with Leviathan, which should prove an easy victory for the title aspirant.

Astecs Advance.

Astec A. C. pulled closer to the honors in Section A of the junior class by trimming Christ Child yesterday. The Astecs pitched a brilliant game for Astec. Christ Child made two hits in eight innings. Astec has yet to be beaten. Its close rival, Independent, will be a sort of fall alumni reunion day, when the alumni of New York State particularly will be invited to return to their alma mater as guests of the university.

CORNELL LOOKS AHEAD TO COMING DARTMOUTH CLASH

ITHACA, N. Y., Aug. 30.—Upwards of 100 candidates for the Cornell football team are expected to report to Schoellkopf field here on September 12, the date selected by Head Coach Gilmore Dobie for the opening of outdoor activities at Ithaca. This will be Dobie's second year at Cornell. He should have a larger squad to work with than that of last season, and many of the players will have the advantage of one year's grounding in the Dobie system.

Mr. Dobie will have two assistant coaches, Ray Hunt, who served as assistant coach here last fall, and Clyde Mayer, captain of last year's eleven and right halfback on the varsity for two years. In the first two weeks' practice, Paul Eckley, the freshman coach, will also help out in the preliminary training of the varsity squad. During the summer the gridiron at Schoellkopf Field has been remodeled, about two feet of loam being put on as a top dressing, and the whole has been resodded. A new system of drainage has been installed. The field will be in much better shape than ever before. Arrangements have also been made to increase the seating capacity of the field for all important games. Stands accommodating 3,000 persons will be built on the west side of the inclosure, and possibly another stand may be put up at the south end.

Colgate and Green. The most important home games will be those with Colgate and Dartmouth. The Colgate game falls in the week of the inauguration of Livingstone Farrand as Cornell's new president, naturally an important event in the history of the university.

At the same time the college of architecture is to celebrate its fiftieth anniversary, and finally Saturday the Dartmouth game will be a sort of fall alumni reunion day, when the alumni of New York State particularly will be invited to return to their alma mater as guests of the university.

The week-end of the Colgate game therefore will be more or less of a holiday time and the game itself promises to draw one of the largest crowds in local football history. The Dartmouth game on October 29, will bring the big green team to Ithaca for the first time since 1913, and as Dartmouth stands among the front rank teams of the country, the game here will be one of the big events on this fall's gridiron card.

Complete Schedule. October 1, St. Bonaventure at Ithaca; October 8, Rochester at Ithaca; October 15, Western Reserve at Ithaca; October 22, Colgate at Ithaca; October 29, Dartmouth at Ithaca; November 5, Columbia at New York; November 12, Springfield Training School at Ithaca; November 25, Springfield Training School at Ithaca; November 25, Springfield Training School at Ithaca; November 25, Springfield Training School at Ithaca.

A rather large nucleus of football letter men will come out for the team this fall. The list includes a majority of last year's varsity team. They are Capt. Wilson Dodge and W. P. Knappa, tackles; C. L. Brayton, center; D. P. Munns and E. V. Goulin, ends; W. P. Carey, fullback; and C. L. Kay, left halfback. Other "C" men from last year who will report are H. R. Kay, H. L. Ebersole and W. P. Goulin, linemen, and G. P. Lecher and J. H. Wahl, backs.

A number of men ineligible last season, and a few players on last year's freshmen team, are also coming out for the varsity as well as a number who have had no football experience of consequence before. Hanson, Cornell's intercollegiate heavyweight wrestler; Rollo, of the baseball team; and Marshall, Calleson and Olney, crowd men, will also try their luck at football this year.

J. & D. Wants Games.

The Judd and Detweiler team, which defeated the Washington Grove team Sunday by a score of 11 to 9, is looking for very strong teams to play. Those desiring games should get in touch with Frank Fabrizio at Judd & Detweiler's.

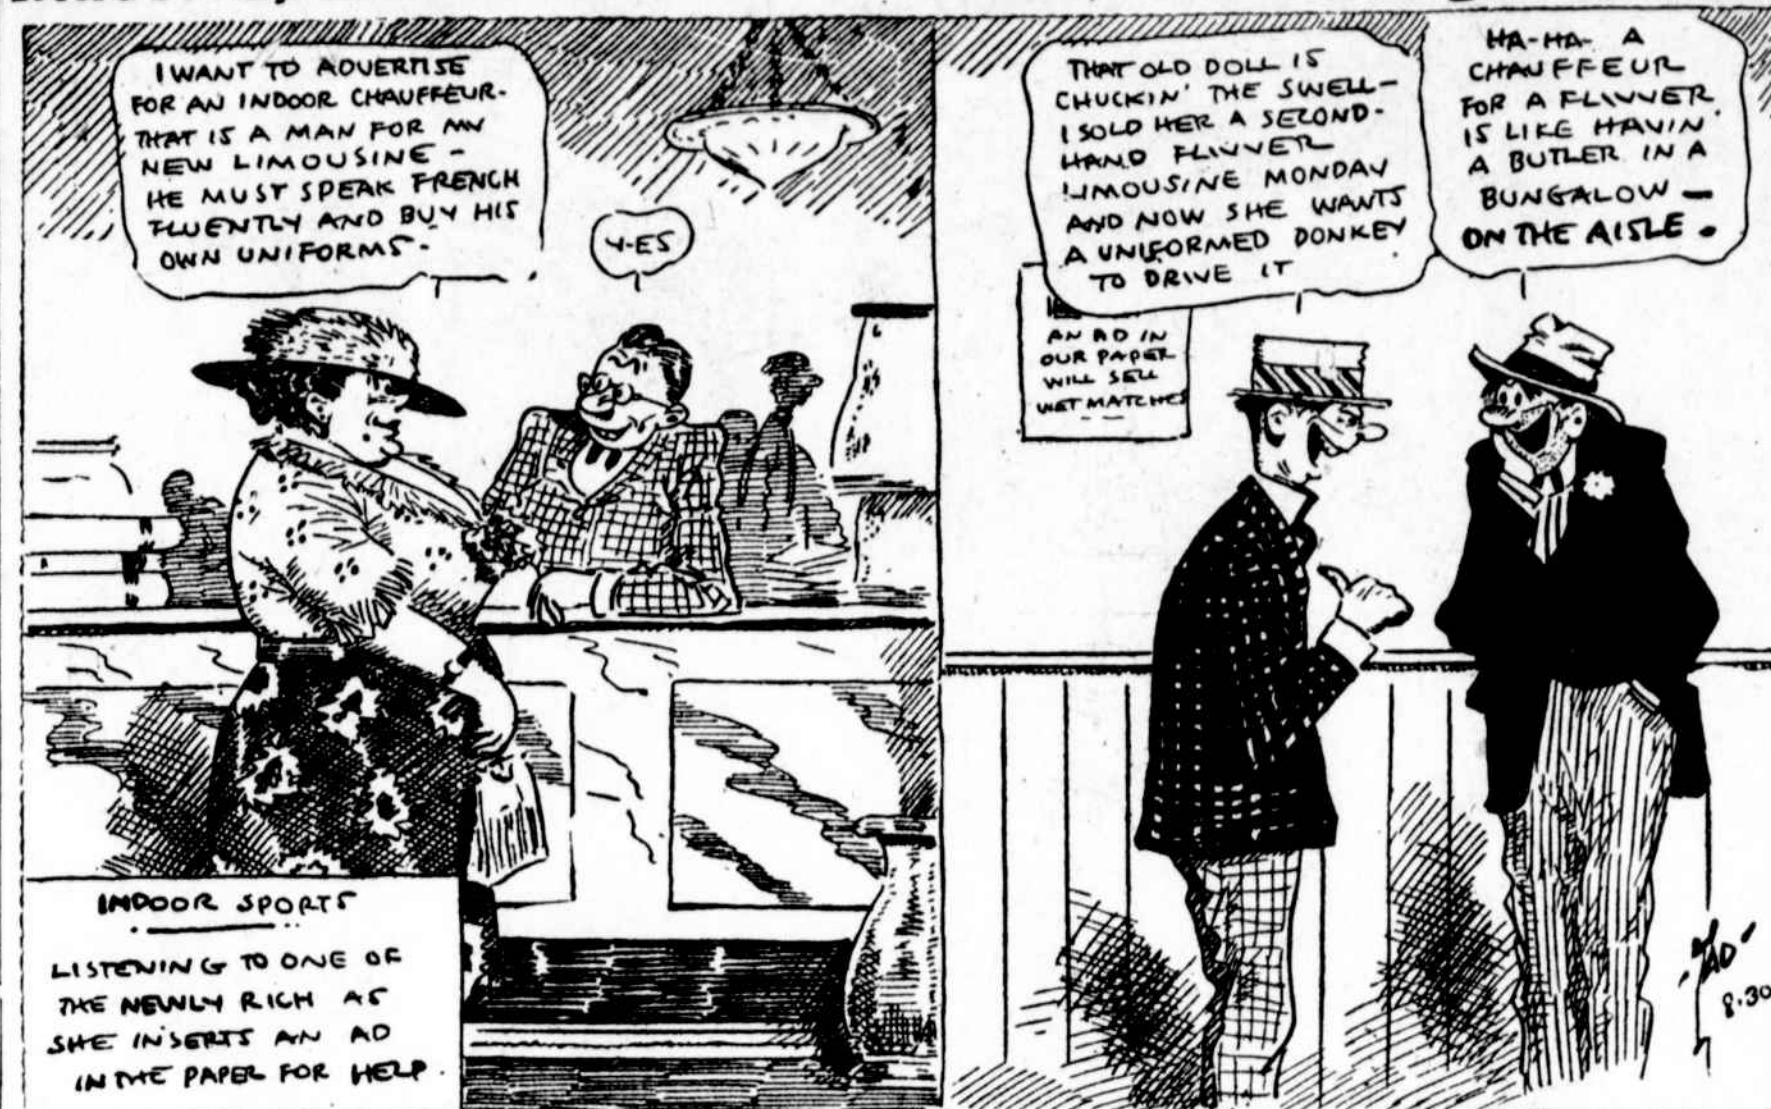

Gridders to Reorganize.

The St. Theresa football eleven of Anacostia will be reorganized this fall. Candidates should get in touch with Max Meyer at 1357 Good Hope avenue, Anacostia.

Brookmont Wins.

The Brookmont A. C. easily defeated the Cherrydale nine Sunday at Clark's Hill, by the score of 3 to 2. The Brookmonts are without a game for next Sunday. All teams interested call M. Hardy, Main 371.

SANDLOT BODY MEETS TONIGHT IN BIG SESSION

Several important questions concerning the city independent sandlot series will be settled at a meeting of the executive committee tonight in the Times sport department at 8 o'clock.

The committee will decide on the system to be used in playing the intersectional series. In the junior and midget classes, where there are only two sections each, it is likely three games will be played by the section champions for the class title.

There are three sections in the elite title by the elimination system or have each of the three teams play the other two games in a matter yet to be determined. It is probable the two-game method will be used.

Several protests will be considered at the meeting. Fireworks are expected.

ST. LOUIS HEAT FAILS TO HURT LESLIE MANN

Violet Radium Rays Have Done Wonders for His Battering Eye.

Many ball players take a transfer to St. Louis with as much joy as a man sentenced to a long stay in a stone institution where the doors open only one way. St. Louis, with its red-hot summers, is considered the real tough spot of the big league belt.

Yet the change to the semi-tropical heat of the Mississippi Valley has worked wonders with Les Mann, the veteran outfielder and one of the few members of the world's champion Braves of 1914 still performing in the big league circus.

Les may not have found the fountain of youth in Cincinnati, but there must be some violet radium rays in the St. Louis sun, which has had a wonderful effect on Mann's batting form. Again the man from the Springfield Training School is quite a robust clubber.

Mann slumped perceptibly in batting during 1919 and 1920, and this year, and if Bentz returns, the problem will not be so acute. But in any case two guards and a tackle must be developed in fall practice. Maders, Hamilton, Baer and Runner on the job this fall for the line promises to be quite some problem.

With the exception of Ray Baer, substitute tackle, not a single one of last year's letter men will return, although recent news indicates the possible return of Newsham Bentz, center, Rauch, Griffiths, Hess and Schuster have all passed on into Penn State football history.

Baer is expected to be a real star this year, and if Bentz returns, the problem will not be so acute. But in any case two guards and a tackle must be developed in fall practice. Maders, Hamilton, Baer and Runner on the job this fall for the line promises to be quite some problem.

LOOKS FOR BIG GRID SEASON

LEXINGTON, Va., Aug. 30.—The big home football game with the University of Virginia, October 15, will be the formal opening of Virginia Military Institute's new \$100,000 stadium, and probably the largest crowd ever in Lexington will be present.

It is reported that special trains will be run from Charlottesville, and the Roanoke alumni expect a special train to bring about 1,000 enthusiasts from that city, while it is probable that hundreds will be in attendance from Lynchburg, Richmond and other sections of the State.

This should be one of the most closely contested games of the season, although Virginia Military Institute lost nine letter men by graduation and University of Virginia is reported to have lost only three. Varsity regulars with a wealth of material from freshman teams.

Big Crowd To See Game. Since Virginia Military Institute's overwhelming victory over the University of Pennsylvania last fall, the Quakers have eagerly awaited the opportunity to avenge the Virginians' unexpected victory. It is stated that Coach Heisman will have his team primed for this game, and it is estimated over 30,000 will witness the advent of the Southerners on their next visit to Franklin Field.

The Capital City of Richmond will have the opportunity of witnessing the clash between the "Flying Squadron" and Bill Fetzner's North Carolinians. The University team is sure to have a winning combination with such members as the Fetzner brothers.

Schedule Announced. The cadets will play A. & E., who gave them their hardest earned victory last year, a return game in Raleigh. On November 12 they will invade Kentucky, playing the State University in Louisville, and wind up the season with the annual classic with their time-honored rivals in Roanoke on Thanksgiving.

The schedule: Roanoke College, September 24, at home. Hampton-Sidney, October 1, at home. Wake Forest, October 8, at home. University of Virginia, October 15, at home. University of Pennsylvania, October 22, at Philadelphia. North Carolina, A. & E., October 29, at Raleigh, N. C. University of North Carolina, November 5, at Richmond, Va. University of Kentucky, November 12, at Louisville, Ky.

Virginia Polytechnic Institute, November 24, at Roanoke, Va.

PENN STATE MUST MAKE NEW LINE FOR ELEVEN

STATE COLLEGE, Pa., Aug. 30.—Penn State has long been famous for the heat of the "iron wall" line developed by Dick Harlow, right-hand man to Hugo Bezdek, the Nittany gridiron mentor; and it is well for the Blue and White institution that Harlow will again be in the job this fall for the line promises to be quite some problem.

With the exception of Ray Baer, substitute tackle, not a single one of last year's letter men will return, although recent news indicates the possible return of Newsham Bentz, center, Rauch, Griffiths, Hess and Schuster have all passed on into Penn State football history.

Baer is expected to be a real star this year, and if Bentz returns, the problem will not be so acute. But in any case two guards and a tackle must be developed in fall practice. Maders, Hamilton, Baer and Runner on the job this fall for the line promises to be quite some problem.

NAVY YARD BOASTS FAST CLUBS IN BATTLES TODAY

BY BRYAN MORSE.

Navy Yard, which has overlooked no single bet in making sure of getting in the post-season series this year, jumps into the fray today against the Fourth Surrender team at Union Station in the section C games of the District Baseball Association battles. The Navy Yarders grabbed off the Government League pennant from the Marines after a death struggle. Fourth Surrender, which won the Liberty Loan circuit pennant, is an unknown quantity. In the section A games going on at Union League Park, another Navy Yard nine is playing. The Zone 2 team, winner of the Navy Yard League race, meets the Adjutant General's Office nine.

Uncle Sam's big yard will be well represented by the two teams. The Navy Yard team in the Section C games is one of the strongest in the city. With such stars as Luscomb, Dyer, Offutt, Long, Fraser, Giovannetti, Sterzer, Newton, Hiser, Frye, Ortel, Smith, Langer, Driver, and others, the team is formidable.

The Fourth Surrender club has nominated no less than twenty-seven players and is expected to put up a first-class argument no matter how strong the Navy Yard looks on paper. Over at Union League Park the Zone 2 team is rated as stronger than the A. G. O. nine, so that the Navy Yarders are counting on scoring two wins before night falls.

Elks Were Worried. Ed Neumeyer's face was as long as the Lincoln Highway for about a half hour yesterday at Union League Park when the Andrews nine got away to a three-run lead. It was the first time this season that the Elks found themselves behind in a ball game.

With Ostendorf mixing them up pretty well for Andrews and the Elks infield wavered behind Emil Pfeil, Andrews looked like a winner. A bit of loose work by Ostendorf, and a controversy in which Willie Watt, umpire, had much the better of brother George Watt, second base.
